BEFORE THE

SECURITIES COMMISSION OF SOUTH CAROLINA

IN THE MATTER OF: )  
 )  
AARON PARTHEMER )  
CRD # 2546369, )  
 )  
Respondent. )

RULE TO SHOW CAUSE  
File Number 15033

WHEREAS, Respondent Aaron Parthemer (the "Respondent") CRD #2546369, at all  
times herein, was registered with the State of South Carolina as a broker-dealer agent

pursuant to S.C. Code Ann. § 35-1-406; and

WHEREAS, the Financial Industry Regulatory Authority ("FINRA") is a self-regulatory

organization and, during the relevant time period, Respondent was a member of FINRA; and

WHEREAS, the Commission has received information that the Government of the United States is considering the possibility of providing technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

WHEREAS, the Commission has also received information that the Government of the United States is considering the possibility of providing technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

membership in IAEA

WHEREAS, it is necessary and appropriate to review the

Concluding

That the Commission has concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

That the Commission has also concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and

The Commission has concluded that the Government of the United States should be encouraged to provide technical assistance to the Government of the Republic of the Philippines in the field of atomic energy, and
